Dear Mr. President Michalik,

With reference to my participation on the 15th Anniversary of the foundation of the Polish Chamber of Tax Advisers, I would like to take the opportunity to express my feelings.

It was clearly visible that the Polish National Chamber of Tax Advisers is highly professional and with a sound foundation.

I am of the opinion that it would be wise and of great benefit to share your experiences with other foreign Tax Advisers' organizations.

Looking forward to our future co-operation.

With best regards,
