Dear Mr Michalik,

Please allow me to thank you for support of the common seminar of the Polish Chamber of Tax Advisers and of the Chamber of Tax Advisers of the Czech Republic concerning foundations of the tax system in Poland, which was held on 5 September 2011 in Ostrava.

This was the first common educational project of both the Chambers, and Tax Advisers from both the countries had a possibility of exchanging mutual experience and establishing new work contacts.

It was clear from the great interest of the listeners and active discussion on the topics presented that the event was successful.

Special thanks belong namely to Mrs. Grażyna Nelip, Mr. Piotr Passowicz and Mr. Mariusz Stomiński.

We appreciate this mutual cooperation very much.

In the enclosure we are sending a few photographs and we are looking forward to continuation of our cooperation.

We are looking forward to our meeting in Malta.

Yours sincerely
